- **The matches will be 20 minutes each way, due to the abundance of matches per day**
- **Games are only to be postponed in extreme circumstances. Younger players should be used if at all possible to fulfil the fixture**
- **All games must be completed by the final week (28th March). All games not played by then will be deemed a 5-0 forfeit**
- **If a club is postponing too many games they will be limited on the number they may postpone.**
- **If a team wishes to postpone or rearrange a match, they must contact the opposing team. Both teams should then contact Claire Fergusson at the Scottish Hockey office (Claire.fergusson@Scottish-hockey.org.uk / 0131 453 9070) and ensure they receive a reply either verbally or via email **at least 10 days prior to the original fixture date.****
